EJS was first established at 1950' as a steel rim and wheel manufacturer. It is one of the most experienced and oldest companies of its kind in Turkey.

EJS is producing wheels for agricultural, industrial and commercial vehicles, forklifts, trailers, tractors. EJS is ready to manufacture wheels up to your needs with its own tool & die making capabilities flexible production lines.

EJS wurde um 1950 als Felgenrehersteller gegründet. EJS ist einer der ältesten Betriebe seiner Art. in der Türkei.

Zur Zeit wird in EJS Felgen- und Radscheiben für Landwirtschafts- und Baumaschinen, Gabelstapler, Trailer und Sattelschlepper hergestellt.

Mit unserem flexiblen Fertigungsablauf, eigenen Vorrichtungen – und Apparatebaumöglichkeiten, vielseitig eingerichteter Maschinen, können wir Radscheiben- und Felgen-Sondermodelle gemäss Kundenwünsche konstruieren und konkurrenzfähig herstellen.
